LMN CERTIFIED CONSULTANTS

About Us

We are Adam and Sahra Linnemann, owners and founders of The Green Executive®. We have proudly owned and operated a lawn care and landscape business for 30 years in the St. Louis metro area.

Benefits of Working with Us

During a site visit, we will walk you through set-up, show you the most valuable features, and train your staff on how to use LMN. When the site visit is complete, you will have a green industry software that works for YOU!

LMN Software Implementation

With a LMN Site visit, you will get:

- ✓ 3-5 day in Person Setup & Training
- ✓ Scheduling & Invoicing
- ✓ Budgeting & CRM
- ✓ QuickBooks Sync
- ✓ Price List & Estimating
- ✓ Time Tracking & Job Costing

LMN was designed to be a comprehensive tool that grows with your business. This multifaceted software was created to eliminate the need for multiple programs and to streamline all of your internal processes.

CLIENT FEEDBACK:

SINCE
2017

We implemented LMN for our company and after almost a year of getting familiar with it, we brought Sahra in to help us set up a budget and show us more detail about the program. I can't say enough good things about her! We want to bring her in every year. -Claire Goldman
